

# NOTICE TO TRAVELING PUBLIC

from the Florida Department of Transportation

## Due to construction activities associated with the I-10/I-95 Interchange Reconstruction

Access to I-95 NB, from the Stockton Street on-ramp to I-10 EB, will be detoured until project completion in Winter 2011.

### Critical facts that you should know:

- + Traffic from Stockton Street destined for I-95 NB is detoured to Irene Street, then Claude Street to Edison Avenue, then Forest Street, utilizing the I-95 northbound on-ramp at Forest Street and Myrtle Avenue (See map below)
- + Traffic should allow for 10 minutes of additional travel time to account for this detour
